Ms. Milmeister,
It is my understanding that Mr. Boland is in Court all day. He is not available to speak with anyone on Wednesday at 2:00pm, however, he would be available at 4:00pm. I am likewise unavailable on said time and date.

My suggestion is that we comply with the Court's directive by first engaging in a phone conference about this issue without the presence of the Judge, thereafter, if we are unable to resolve the discovery dispute, it would be appropriate to prepare joint statements and approach the Court.

Thank you,
Brandie L. Hawkins
